

CTIS 2024

2nd International Conference on Computer Technology and Information Science
June 21-23, 2024 / Ordos, China

The 2nd International Conference on Computer Technology and Information Science (CTIS 2024) is going to be held during June 21-23, 2024 in Ordos, China. On behalf of the organizing committee, we would like to cordially invite you to join your peers in CTIS 2024!

CTIS 2024 offers good opportunities for the delegates to disseminate their research and exchange new ideas by bringing together leading academic scientists, researchers and research scholars, and in order to establish research and/or business links, as well as to build global partnership for potential collaboration. CTIS 2024 focuses on high quality presentations and papers that address contemporary issues on fundamental research leading to new methods, or adaptation of existing methods for new applications related to the topics of Computer Technology and Information Science. It will feature Keynote Speeches given by renowned scholars, and Oral/Poster Presentations with broad coverage and popular topics. All paper submissions will be peer reviewed by at least 2-3 independent reviewers.

Call for Papers

CTIS 2024 solicits original high-quality contributions in all areas of Computer Technology and Information Science. The topics are included but not limited to:

1. Quantum Information
2. Information and Communication Technology
3. Optimization Algorithms and High-Performance Computing
4. Computer Modeling and Simulation
